

High School Idol 14 Results

Before a capacity crowd on Saturday evening at Superior CVI, judges Dr. Dean Jobin-Bevans, Nancy Freeborn and Dr. Glenn Colton crowned the following High School Idols. Co-hosts Fabiana Biebl and Spencer Hari shared the duties as MC for the two day, 14th annual event. Sara Kanutski wins a free recording session at Diningroom Studios for placing first in the Original Song Class. Freeborn performed for all the competitors on Saturday night and said, "Wow, High School Idol 2016 was an intensely emotional event. I can't even express what each and every performance meant to me. Young people just walking up there and handing an audience their hearts and souls. Being invited to judge such a prestigious event is an absolute honour. I hope every performer is celebrating a near perfect performance tonight, because that is what each of you gave us!"
